Subject: Call for Nominations for the election of Honorary Fellows/Fellows/Associate Fellows, 2024.

Distinguished Fellows of the IMS,

As you are aware, the Indian Meteorological Society (IMS) annually elects a few eminent Life Members as Fellows of the IMS, based on their outstanding contributions to Meteorology and allied fields of science and technology. In addition, the IMS also elects promising young scientists as Associate Fellows. Further, the IMS honours non-members of acknowledged eminence in Meteorology and allied fields of science and technology, including international experts, as Honorary Fellows of the IMS. The current list of IMS Fellows/Associate Fellows/Honorary Fellows is available at <http://www.imetsociety.org>.

In accordance with the established practice, the current IMS Fellows are entrusted with the responsibility of providing nominations for the election of IMS Fellows/Associate Fellows/Honorary Fellows. I am therefore pleased to invite you to submit your nominations for the year 2024 in the enclosed Proforma, to reach the IMS National Secretariat by **20 September 2024**. As per the applicable guidelines, you may **propose only one candidate** for each of the above three categories of IMS Fellowships. Valid nominations received for the last two calls need not be re-submitted (except for significant updates), as they will continue to be under consideration along with those received in response to the present call.

Kindly send your nominations along with the supporting documents preferably by email to the Secretary, IMS, New Delhi at imetsociety@gmail.com. All the IMS Fellowship awards will be formally presented at the immediately following Annual Convention of the IMS, i.e., TROPMET/INTROMET. However, under exceptional circumstances, at the discretion of the President of IMS, other relevant occasions may be identified for conferring the fellowships.

Latest call for nominations for the IMS Fellowship awards along with the prescribed proforma is attached herewith for your ready reference.

I take this opportunity to thank you for your cooperation and support to IMS activities.

With best regards,

(Dr. S. I. Laskar)
Secretary, IMS
