## **FROM THE PRESIDENT'S DESK**

Dear Readers,

I have great pleasure in presenting you the current issue of Vayu Mandal; the Bulletin of Indian Meteorological Society (IMS). I am thankful to the authors for their contributions.

I take this opportunity to call upon all the academicians, researchers, students and operational professionals to contribute to this journal through reporting their most recent innovative endeavours.

My sincere thanks are due to the Editorial Committee for their dedicated efforts in bringing out this issue of Vayu Mandal-2016. In addition to contributed articles, this issue of Vayu Mandal also contains a review article by an expert highlighting recent advances in India in the frontier areas of research. Thanks are also due to the distinguished reviewers in reviewing the research papers of this issue of Vayu Mandal.

April, 2017

(Ajit Tyagi)  
President, IMS
